Examples:

Group A has 10 students. They receive a 20% discount for a total price of \$278.80 (10 * \$27.88) or \$27.88 per student.

Group B has 14 students. Three students belong to the same family and can share the *Starting a Micro Business* and *Running a Micro Business* books, but each student needs his or her own *Workbook*. Group B purchases 12 Curriculum sets and 2 additional workbooks. They are eligible for a 25% discount on the Curriculum Sets and on the additional 2 workbooks for a total price of \$336.10 (12 * \$26.14 + (2 * \$11.21)) or \$24.01 per student.

Group C has 25 students. They will receive a 30% discount on the paperback versions of *Starting a Micro Business* and *Running a Micro Business*. In addition they purchase a license to print 25 copies of the *Workbook*. They will print out the workbook themselves. Total cost is \$423.25 (25 * \$13.93 + \$75) or \$16.93 per student (plus their printing costs for the *Workbook*)
